

# Refining the Formation and Early Evolution of the Eastern North American Margin: New Insights From Multiscale Magnetic Anomaly Analyses

John A. Greene, Masako Tominaga, Nathaniel C. Miller, Deborah R. Hutchinson, and Matthew R. Karl  
*Journal of Geophysical Research*; DOI: 10.1002/2017JB014308

# Early Atlantic Opening

1. IMQZ formed
2. BSMA formed (M42?)
3. OMQZ- Ridge orientation change
  - Asymmetric crustal accretion
4. M25-M0
