## San Antonio's Most Imaginative Meeting Places

The Menger's large ballroom, that can be divided into as many as three smaller areas, is one of the city's newest meeting spaces. Sharing prefunction space with our Poolside meeting rooms, the ballroom opens to a terrace overlooking the "Menger Court," a commons area between the hotel and Rivercenter. Both the terrace and court provide inviting space for receptions under the stars.

Choose from many unusual function spaces available at the Menger. The Menger offers unique possibilities: from our enclosed tropical garden or pool areas to the ornate 19th century Rotunda or historic Menger Bar.

## Meeting Services

Our food and beverage department experts will assist in selecting your own menus for breakfast, coffee break, lunch, reception, and dinner. Whether banquet or buffet style, our food and beverage director will help you plan every detail and personally supervise preparation and serving.

Meeting requirements from tables, chairs, podiums, and portable stages, to sound systems, projectors and other A/V equipment is either on hand or quickly available.
